

THE NEW TRANSLATE PLUS REFERRAL PROGRAMME

Support a different charity every quarter by referring a new colleague or friend to us. Join our socially conscious referral scheme today!

Valid for new and existing customers who wish to extend or develop a collaboration with us within a new department of their own organisation or beyond.

More than just rewards

At translate plus, we are deeply committed to supporting causes that matter to the linguistic and the wider community. These include enhancing language and communication skills, supporting diversity and inclusion, as well as fighting climate change and the current humanitarian crisis in war zones.

Our new referral programme has been designed in line with those beliefs and efforts. So now, for every new customer you refer to us:

- ✓ we will make a charitable donation of £100 supporting one of the above causes;
- ✓ you will be eligible for receiving an optional 15% discount on your next job order with us;
- ✓ the new party you refer to us will qualify

for an introductory discount as well (please contact us to find out more about this)

Every quarter, we'll be selecting a different charity to support. The first charity we have selected to donate to is Translators Without Borders, but if there is a different charity you wish to support via our referral programme, let us know when contacting us to provide the details of the contact you'd like to refer.

There is no limit to the number of referrals you can make; we will reward every successful referral with a donation and a discount! You will also receive an email confirmation from us notifying you once the donation has been made.
